First Defense® 40-80™

Disinfectant Ready-To-Use

Cleaner • Fungicide • Mildewstat • Virucide* • Deodorizer

FOR USE IN: • HOME • HOSPITAL • INSTITUTIONAL • INDUSTRIAL

Foster 40-80 has been approved as a disinfectant against COVID-19 and is registered with the EPA.

Foster® First Defense® delivers non-acid disinfectant and cleaning performance. Use on washable hard, non-porous surfaces of tables, non-wooden picnic tables, countertops, floors, walls, coils and drain pans of air conditioning and refrigeration equipment and heat pumps and hard, non-porous surfaces made of metal, stainless steel, fiberglass (shower stalls or sinks), finished woodwork, upholstery, vinyl and plastic.

- One-step disinfectant cleaner is effective against a broad spectrum of bacteria, is virucidal*, fungicidal and inhibits the growth of mold and mildew, when used as directed.
- Use to remove odors caused by flooding and smoke from fires.
- Kills germs, bacteria and viruses* on pre-cleaned environmental surfaces.
- Kills Pandemic 2009 H1N1 influenza A virus.

MADE in USA

Net Contents: 5 Gallons (41 lbs.)

Foster 40-80 First Defense Disinfectant has demonstrated effectiveness against viruses similar to coronavirus disease 2019, COVID-19 (SARS-CoV-2) on hard, non-porous surfaces. Therefore, Foster 40-80 First Defense™ Disinfectant can be used against coronavirus disease 2019, COVID-19 when used in accordance with the directions for use against Norovirus on hard, non-porous surfaces. Refer to the CDC website for additional information.
